

FENCES:

A Building permit is required for a fence over 6' in height and for a fence around a swimming pool.

Other fences under 6' in height may be installed without a building permit.

Fences can be installed on your property up to the side and rear property lines.

Fences in the front yard are required to be setback 22' from the edge of the street pavement/curb.

Fences in the front yard on a corner lot may require additional setback for sight distance of traveling vehicles.
