PROGRAM							

State Law requires a separate fund for the accounting of Liquid Fuels Tax monies. The revenue is derived from the state gasoline tax and revenue from the turnback of State roads to the Township. A percentage of the proceeds of the state's gasoline tax is distributed to the Township based on the 72.7 miles of improved Township's roads and a population of 24,185 as of January 1, 2012. This fund provides additional resources to finance such things as street maintenance, winter salt purchases, traffic light maintenance and road equipment to name a few.
