

## Moon Township Underground Detention Systems - BMP Inspection Checklist

Property Address: \_\_\_\_\_

BMP ID: \_\_\_\_\_

Date of Inspection: \_\_\_\_\_

Date of Last Inspection: \_\_\_\_\_

Inspector: \_\_\_\_\_

Maintenance Item	Satisfactory (Yes/No/N.A.)	Comments
<b>Underground Detention System</b>		
Are the inspection ports/manholes visible and accessible?		
Has the surface subsided over top of the underground detention system?		
Is there any sediment noticeable in the floor of the underground detention tank?		
Does the underground tank look to be structurally sound? (i.e. - are there any crushed pipes, walls, etc.)		
<b>Inlet Pipe(s) and Outlet Structure(s)</b>		
Structural Integrity of Inlet/Outlet pipes. Are any pipes broken, crumbling or separated?		
Are the inlet and outlet orifices and pipes functioning properly?		
Trash or debris blocking the inlet or outlet pipes?		
<b>Miscellaneous</b>		
Is there sufficient access to the facility for maintenance?		
Is there any evidence of surcharging?		
Is there standing water in the underground detention tank?
