AT YOUR DOOR SERVICE!

DID You Know? Waste Management's At Your Door service collects and manages hard-to-recycle home generated special materials. These materials include many items that may not be disposed of in the regular trash or recycling bins. These items include household and garden chemicals, electronics, TVs, Universal materials such as fluorescent lamps, CFL's, batteries and most automotive-related chemicals such as motor oil, antifreeze and cleaners.

The concept is simple. After you contact Waste Management, a pick-up date will be scheduled and a collection kit will be mailed to you with instructions. Easy and Convenient!

There are three easy ways to participate:

1. Schedule a collection online <http://www.WMAtYourDoor.com>
2. Call 1-800-449-7587 (Mon.-Fri., 8:00am– 8:00pm, EST)
3. E-mail: AtYourDoor@WM.com (with your list of items and your contact information)

There is no additional fee for this service.

At Your Door service is available to Moon Township Municipal Authority refuse customers only. Contact MTMA with questions. 412-264-4300.
